Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding to advance a national trauma care system integrating military and civilian trauma care for fiscal year 2022.

The entity to receive funding for this project is Cooper University Health Care, located at 401 Haddon Avenue, Camden, NJ, 08103. The location of the project would be Camden City, NJ.

The project would support the National Academies of Science, Engineering and Medicine's call for integrating military and civilian trauma care systems to achieve zero preventable deaths after injury. This will improve military and civilian trauma training and readiness to improve health outcomes after trauma incidents.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Donald Norcross".
